We recommend comparing the information reflected in the account statement received from your custodian with the information reflected in this portfolio report. If you did not receive a separate statement from your custodial firm, or if you notice a discrepancy between this portfolio report and your custodial statement, please contact our Chief Compliance Officer at 844-265-9675. Returns are calculated in US dollars and reflect the reinvestment of dividends and other earnings. Past performance is not necessarily indicative of future results. Gross of fees returns are presented after trading expenses and before management fees. Net of fees returns are presented after trading expenses and management fees. Fees are calculated separately for each portfolio, and therefore, performance may differ from one portfolio to another. Refer to your fee schedule for additional detail. Book value is calculated using the cost basis method established when the account was opened (FIFO, LIFO, average, etc). These amounts should not be relied upon for Federal or State tax purposes. Benchmark returns presented are provided to represent the investment environment existing during the time periods shown. The benchmarks are unmanaged, unavailable for direct investment and do not include any management fees or other expenses. The inception date reflects the last day of the month that the account was funded or fully invested. Periods shorter than 12 months are not annualized. The investments in the portfolio are subject to your specific objectives, limitations and restrictions as communicated to ZCM. Please notify us if your financial situation or investment objectives have changed.
