-------------------	------------------

The above performance is presented gross of management fees and is shown net of transaction costs. Gross performance is computed using the Modified Dietz method compiled daily on a time-weighted basis. The monthly and subsequent period returns are calculated by geometrically linking the daily returns. Past performance is not indicative of future results. Returns are based upon currently available information and are subject to change. You are urged to compare this statement provided by Ativo with the statement provided by the account custodian.
