NYSCRF-LEIA gross-of-fee return represents total return, gross of all fees except commissions and trading costs and reflect the reinvestment of dividends and other earnings as of the dates shown. Returns are calculated in US dollars. Periods in excess of one year are annualized returns.

The NYSCRF-LEIA net-of-fee return is inclusive of commissions, trading costs and accrued management fees at the highest stated fee in the Small Cap Value Equity fee schedule. Actual fees may vary depending on, among other things, applicable fee schedule and account size. All returns are as of **May 31, 2021**, unless noted otherwise. Inception-to-date (ITD) is as of July 31, 2020. Periods in excess of one year are annualized returns.

The Russell 2000 Value Index is a broad-based equity index made up of value stocks of 2000 small capitalization companies. The above index returns represent total returns as of the dates shown, inclusive of reinvested dividends but exclusive of taxes and other transaction costs. It is not possible to invest directly in an index. Indexes are unmanaged portfolios representing different asset classes, with varying levels of associated risk. The indices included above, may or may not represent an appropriate or accurate comparison with the performance of the NYSCRF-LEIA small cap value strategy, as the SCV strategy may or may not utilize positions and strategies that are reflected in the index.

In considering the prior performance data described herein, prospective and current investors alike, should be aware that past performance is not indicative of future performance. There can be no assurance that investors will be able to realize proceeds from such investments in the amount shown or that will not lose money.
